Powering Climate & Infrastructure Careers Challenge
Round 1 Disclaimer

By submitting an application to the *Powering Climate & Infrastructure Challenge*, your organization acknowledges and agrees to the following:

The Amalgamated Charitable Foundation, Families and Workers Fund (“ACF Families and Workers Fund”) is not responsible for any difficulties uploading, downloading, or submitting any *Challenge*-related information from the Fund’s website or for any other malfunctions of any kind related to the *Challenge* application and selection processes (whether technical, human, or otherwise).

Your organization will not submit any application materials in connection with the *Challenge* that infringe on any copyright, patent, trademark, trade secret or other proprietary rights; or that violate any law or regulation, breach any confidentiality, contractual or other obligation; or that violate any right of privacy or publicity.

The ACF Families and Workers Fund is not responsible for the time or effort invested by applicants in the *Challenge* and guarantees no particular outcome for participants. The ACF Families and Workers Fund will use [this scoring matrix](#) to evaluate applicants and final determination of those applicants to advance in the *Challenge* and receive funding rests with the ACF Families and Workers Fund in its sole discretion.
